

Check Case Status (Supreme Court, High Courts, District Courts)

You can check the status of cases across various courts in India through the following portals:

- **Supreme Court of India:**
 - **How to Check:** Visit the Supreme Court's official website and navigate to the "Case Status" section. You can search by diary number, case number, or party name.
 - **Link:** [Supreme Court Case Status](#)
- **High Courts of India:**
 - Each High Court in India has its own portal for checking case status. Below are a few examples:
 - **Delhi High Court:** [Delhi High Court Case Status](#)
 - **Bombay High Court:** [Bombay High Court Case Status](#)
 - **Other High Courts:** Visit the respective High Court's official website and find the "Case Status" section.
- **District and Subordinate Courts:**
 - **How to Check:** You can check the status of cases in District and Subordinate Courts through the National Judicial Data Grid (NJDG) portal. Select your state and district to access case status information.

Case Pendency Data

Case pendency data provides insights into the backlog of cases in the Indian judiciary at various levels, including the Supreme Court, High Courts, and District Courts. This data is crucial for understanding the workload and efficiency of the courts.

- **National Judicial Data Grid (NJDG):**
 - The NJDG offers comprehensive data on pending cases across the judiciary in India. It includes statistics on case pendency, disposal rates, and other judicial data.
